CASE STUDY
WEDDING / BOLLYWOOD WEDDING – HOLIDAY INN ELSTREE

EVENT BRIEF

The client needed 2 events in one, a formal lunch with an elegant clean look and then a bright & colourful Bollywood party in the evening in the same room.

WHAT WE DID

9 Events completely covered the walls of the room with elegant pleated white fabric and draped the ceiling area.

9 Events constructed a discreet white stage to hide all lighting for Bollywood party.

After the lunch the room was re arranged, a dance floor was put in, an LED Bar was installed , Indian chill out furniture placed around room, up lights in orange and pink lit up the white fabric to give amazing colour to the lining of the room and 2 plasmas screens flanked the stage with Bollywood visuals being played.

The lighting on the stage was used to project vibrant colours over the draping and the walls.

Guests were greeted by girls handing out bindis and a top London DJ was used to create a free flowing party atmosphere with non stop music and a Bollywood dance troupe booked to perform and interact with guests.

The end result was 2 thoroughly enjoyable events with 2 totally different looks.
