CASE STUDY WEDDING - GILGAMESH STUDIOS JAN 09

EVENT BRIEF

To source an unusual venue with a late license unlike any of the normal hotels and halls for a sit down dinner and dance with a fun twist.

WHAT WE DID

9 Events hired Gilgamesh Studios which is a blank canvas venue, with no kitchen, no lighting, no tables & chairs etc.

9 Events installed a temporary kitchen area and sectioned it off with draping and screens. Then we draped the ceiling & reception area, brought in all the tables and chairs and used lighting to highlight all the detailing in the walls and a colour wash to light all the fabric and make the room come alive.
